

## SAFETY INFORMATION SHEET

SIS/CEC/196

### COOPEX\* 100 EC

CONTAINS	25:75 cis:trans isomeric ratio, public health grade permethrin (10.0% w/v), in a refined paraffinic base.
DESCRIPTION	A clear, pale amber, mobile liquid miscible with water to form an emulsion.
HAZARDS	
Fire	Heating will cause pressure rise in a sealed container with risk of bursting. Flash point 58°C.
Toxic	Has low toxicity to mammals. Dangerous to fish, other aquatic life and reptiles.
HANDLING AND STORAGE	Keep in original container, tightly closed, in a safe cool place.
PRECAUTIONS	Avoid contact with skin and eyes by wearing suitable protective clothing. Do not use near fire or flame, hot surfaces or unprotected electrical equipment. Wash hands and exposed skin before meals and after work. Wash concentrate from skin or eyes immediately with plenty of water. Do not handle treated fabrics until dry and air thoroughly before use.
PROTECTIVE CLOTHING	PVC/rubber gloves Goggles or face shield Overalls
FIRST AID	
Eye	Rinse immediately with plenty of water and seek medical advice.
Inhalation	Remove to fresh air. Seek medical advice if there is more than trivial inhalation.
Ingestion	Wash out mouth. Give plenty of bland fluids. Seek medical advice if there is more than trivial ingestion.
Skin	Remove all heavily contaminated clothing immediately and launder before re-use. Wash off skin immediately with plenty of soap and water. Seek medical advice if there is more than trivial exposure.

<b>FIRE FIGHTING</b>	Keep containers cool by spraying with water. Extinguish with foam or dry agent. Do not use water due to water course contamination risk.
 <b>HAZARDS</b>	
Spillage	Wear suitable protective clothing. Absorb with sand, earth or other inert material and transfer to closed container for disposal. Do not allow to enter drains or sewers. Do not contaminate ponds, ditches, or waterways with the product or used container.
<b>TRANSPORT RESTRICTIONS</b>	<p><b>By sea (IMDG):</b> Flammable liquids, N.O.S. (contains Butanols and permethrin 12.1%),(UN 1993, Class 3.3, MARINE POLLUTANT, Packing Group III) (IMDG Code-page 3345 Amdt 25-89) (Label: Flammable liquid) (Mark: Marine Pollutant, NB small pack exemption to mark for a MARINE POLLUTANT) (EmS 3-06; MFAG 305)</p> <p><b>By Air (ICAO):</b> Flammable liquids, n.o.s. (contains Butanols) (UN 1993, Class 3, Packing Group III) (Label: Flammable liquid).</p> <p><b>By Road (ADR):</b> Class 3, 32° (C) (marginal 2301) (Packing Group III) (HI No. 30; SIN 1993) (Label: Flammable liquid) (Descriptive name: Butanols).</p>
<b>DISPOSAL</b>	Arrange for chemical incineration, or properly supervised burial at an approved toxic waste tip. Wash out container thoroughly and dispose of safely.
<b>ADDITIONAL INFORMATION</b>	<p>Safety Information Sheet on permethrin is available on request.</p> <p>This Safety Information Sheet refers to the concentrated product. When diluted for use the hazards are considerably reduced.</p> <p>See product label.</p>
